Returned Veterinary Medicinal Products to the Veterinary Pharmacy

This Department would like to point out that veterinary medicinal products leaving the premises ought not be returned back at the veterinary pharmacy as they would have left the legal supply chain. It is difficult to ascertain that the storage and transport conditions at the customer are the appropriate ones as those kept at the veterinary pharmacy.

Thank you for your co-operation.

Prodotti Mediċinali Veterinarji rritornati lill-Ispizzerija Veterinarja

Dan id-Dipartiment jixtieq jiġbed l-attenzjoni li prodotti mediċinali veterinarji li jhallu l-ispizzerija m'għandhomx jerggħu jiġu rritornati peress li jkunu hallew il-katina ta' forniment legali. Huwa diffiċli li jkun aċċertat li l-kundizzjonijiet tal-ħażna u l-garr mill-konsumatur huma kif suppost bħal dawk miżmuma fl-ispizzerija veterinarja.

Grazzi tal-koperazzjoni.

A handwritten signature in black ink is written over a red circular stamp. The stamp contains the text 'VETERINARY REGISTRATION DIRECTORATE' around the perimeter and '0802' at the bottom. In the center of the stamp is a coat of arms.
